Effective Date: 2/1/15

Authorized By: Library Board of Trustees

Date of Last Revision: 3/20/2024

Library cards are issued at no charge to residents or real property owners of Huntington City-Township and the Town of Markle. Only one card will be issued per resident unless otherwise outlined in this policy. In all cases Indiana State Code regarding the issuing of library cards will supersede all provisions of this policy.

At the time of application, residents must show proof of ID and proof of current address. Acceptable forms of identification include driver's license, passport, current utility bill, bank statement and/or rental agreement. Staff may accept other forms of identification if they determine them to be legitimate; however staff will also retain the right to refuse any form of identification if there is reasonable doubt regarding authenticity or currency.

At the time of application library staff will verify all addresses using an online system to ensure that they are in the correct taxing district.

If a patron is applying for a library card based on owned property rather than a home address they must provide a tax statement or receipt in their name. Dependent children may also be issued a card based on property ownership.

The library may use an electronic system provided by an outside vendor to manage online library card registration. This may include address verification, ID verification, and issuing of an electronic barcode to be used for checkout.

Cards for patrons under the age of 18 must be signed by a parent or legal guardian.

If the library discovers that any cardholder has knowingly provided false information to obtain a library card, that card will be immediately blocked and borrowing privileges revoked.

### Replacement Cards
